

United States of America,                 :  
                    Plaintiff,                 :  
  
                v.                                 :         Case No. 2:12-mj-11  
  
Victor Colon Rosario,                     :  
  
                Defendant.                 :         Magistrate Judge Kemp

Defendant has moved to hold this Court's order of Commitment to Another District (#9) in abeyance while he determines whether to make a request to have this case transferred to this district under Fed.R.Crim.P. 20. The motion sets forth good cause and the motion (#10) is therefore granted. The Commitment Order is held in abeyance until further order of the Court.
